This policy is designed as a guide to those taking bookings.

Definition – **A GROUP** booking is defined as that of a group with equal to or greater than 8 players.

Discounts – the application of discounts is to be at the discretion of either the operations manager and/or the professional. However the maximum discount offered is to be 25%.

Tee Times – Saturdays - where possible group bookings should be made as follows in order of precedence:

1. After the last competition group.
2. All players in a group wishing/booked to play within the competition times must have a GA Handicap and must enter the competition of the day. These groups (groups only) are to be offered a combined discount fee of \$40, being \$30 for green fees and \$10 for competition fee.
3. 1 tee in use – between 10:30 am – 11:30 am.
4. 2 tees in use – in the second block of playing groups on the 10th tee.
5. Where possible visitors should only be assigned to three consecutive playing groups.
6. Up to 40 green fee paying visitors may be allowed into the competition field in addition to members guests.

Where a booking is required during a busy period (e.g. during club championships) or larger numbers are requested the match committee is to be consulted.
