

PORT FAIRY GOLF CLUB INC

OCCUPATIONAL HEALTH AND SAFETY POLICY

The committee and management of the Port Fairy Golf Club Inc are committed to providing all employees with a workplace that is, as far as is practicable, safe and healthy. Whilst managing occupational health and safety is chiefly the responsibility of management, employees and contractors also have a role in achieving a safe and healthy working environment.

To enable effective participation in this role, employees will be fully consulted and given the opportunity to contribute to decisions on matters likely to affect their occupational health and safety.

The management of the Port fairy Golf Club will implement strategies in line with State OH&S Legislation with a view to continuously improving the health and safety of the work place. Information and training will be provided to enable all personnel to properly participate in the OH&S program and effectively carry out their responsibilities.

Everyone at Port Fairy Golf Club has a personal responsibility to work safely. Management, employees, contractors and members realise that all tasks can and should be completed in a safe and healthy manner.
